IIT Gandhinagar

National Games

The 2022 National Games of India will be held in Gujarat from September 27 - October 10, 2022. The country's most prestigious multi-discipline sporting event returns after a gap of seven years.

The 36th edition of the Games will be held across six cities – Ahmedabad, Gandhinagar, Surat, Vadodara, Rajkot and Bhavnagar. An estimated 8,000 athletes will take part across 36 sporting disciplines.

Here's the schedule of the National Games 2022 held at IIT Gandhinagar campus:

ATHLETICS	September 30 - October 4
SQUASH	October 1 - 5
SOFTBALL	October 7 - 11
TRIATHLON	October 09 - October 11

“Enthusiasm is everything. It must be taut and vibrating like a guitar string.” – Pele

Sports@IITGN

At IIT Gandhinagar we have a vibrant culture of sports. We believe that a person's sense of integrity, dedication, and perseverance is tested on the sports field, more than anywhere else. IITGN has always been supportive of sports and fitness as it helps in maintaining a healthy mind and body. Students must be allowed to choose the sport of their liking and capability, and must be given an equal chance to excel in it. Keeping this in mind, ample facilities have been provided to the students for practicing and attaining professionalism in their respective games.

About IITGN

IITGN was founded in 2008 and is located in Palaj, Gandhinagar, Gujarat, on the banks of river Sabarmati. Gandhinagar is close to Ahmedabad, one of the oldest living cities in India, and known both for its rich cultural past as well as state-of-the-art infrastructure, thriving industries, and many modern amenities. The city is also the hub of prestigious academic and research institutes such as the Indian Institute of Management, Ahmedabad, and the National Institute of Design. Additionally, Gujarat's long-standing mercantile and business traditions encourage excellence and entrepreneurship. IITGN is rated India's first 5-star GRIHA LD (Green) campus for minimizing the negative impact on the environment. The campus has also been declared India's first 5-star campus for ensuring food safety and promoting healthy dining.

IITGN offers BTech programmes in Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Mechanical Engineering and Materials Engineering. The Institute also offers MTech programmes in all these disciplines along with Biological Engineering and Earth Sciences. MSc programmes in Mathematics, Physics, Chemistry and Cognitive Science are also offered. A unique MA programme in Society and Culture attracts very promising students. PhD programmes are offered in all engineering and science disciplines, as well as in Humanities and Social Sciences.

IIT Gandhinagar encourages interdisciplinarity in its research activities. Our faculty and students are engaged in cutting edge research that has the potential to solve real-world problems and create an impact on society. The IIT Gandhinagar Research Park seeks to foster a powerful interplay between industry and academia, and thereby push the boundaries of innovation and research. The Park enables industry partners to be part of a vibrant community and gain access to R&D professionals, students and state-of-the-art R&D infrastructure at IIT Gandhinagar.
